

## Digital Citizenship – Digital and Interactive Media

Digital Citizenship is following the rules of good citizenship online. In order to be a good digital citizen, you must treat others with respect and be mindful of your own safety. There are nine elements of digital citizenship, and they are as follows:

- Digital Access
- Digital Commerce
- Digital Communication
- Digital Literacy
- Digital Etiquette
- Digital Law
- Digital Rights and Responsibilities
- Digital Health and Wellness
- Digital Security

Take a minute to think about the things on this list. Do you have some ideas about what they might mean? Make some predictions about what these elements of Digital Citizenship could mean, then [go to this site](#) to compare your predictions to the explanations.
